WHAT ARE FRIENDS FOR?

Columbian Park Zoo is in the midst of its' renovation and expansion, and **Friends of Columbian Park Zoo** (FOCPZ) is deeply involved in raising funds and awareness for this dynamic project. Through **Friends'** generosity, Lafayette has already seen new exhibits like Dinosaur Dig, Conservation Station and more. In July 2007, **Friends** completed construction of the new Zoo's Main Entrance Canopy. Currently, they are committed to funding the new Giant Tortoise Exhibit. Their Brick Paver program, launched in March of 2006, as well as their Medallion and Pier program, launched in April 2006, in addition to Membership Dues, will help fund new Zoo exhibits and programs. **Friends'** efforts and their ongoing support is an integral part of all facets of the new Columbian Park Zoo. They are essential to implementing the Zoo's Master Plan and are also ambassadors to the community to promote and encourage zoo attendance, participation and support.
